

# Accessing Your Employment Data Report

The Work Number® is a fast and secure way to provide proof of your employment or income—a necessary step in many of today's life events involving credit, financing, or securing of benefits or services.

The Work Number simplifies the verification process and accelerates credit decisions through an online system available to verifiers 24 hours a day, 7 days a week. The purpose of this document is to provide you with step-by-step instructions on how you can access your free annual Employment Data Report (EDR).

An EDR is a report, per the Fair Credit Reporting Act, to allow transparency to your information contained on The Work Number and a list of all verifiers who have attempted access to your employment records in the prior 24 months.
